I started my career at 16, being beating up in town halls "for the experience". Two decades later, I perform feature stunts, train new action performers, and create shows that enable people from all backgrounds to enter our industry with more safety and dignity than I did.

WRESTLING

- Independent wrestler with 19 years' experience across hundreds of shows.
- Fight choreographer specialising in wrestling within alternative contexts, including music videos ([Love Is Not Control](#)), feature films ([Walk Like A Panther](#)), theatrical productions ([Mythos: Ragnarok](#)) and TV adverts ([Barclaycard's Happy Place](#)).
- Coach and specialist instructor for live and recorded productions ([The Next Storm](#)).
- Wrestling Reel: <https://youtu.be/QALkEgiPvWI>

STUNTS

- 8 years of stunt and action performance experience on 40+ productions (see below).
- Specialist in falls, unarmed fights, firearms, melee combat and historical weapons.
- Fight director ([Heart of the Matter](#)) and stunt coordinator ([Trendy](#)).
- Stage and screen combat instructor for British Action Academy, Squire Stage Combat and Young Titans.
- Action reel: <https://youtu.be/LGmzgzbzjU8Q>

OTHER PROJECTS

- Leader of Ghost Squad: international live action group and obstacle course marshals.
- 500+ live music/comedy performances over 14 years.
- Writer of documentary ([A Rum Story](#)), theatre ([Mythos: Ragnarok](#)), comedy ([The Sexy Adventures of Stann Boothe](#)), fiction ([A Rum Run Awry](#)), and non-fiction ([The Guildsman's Handbook](#)).
- Competitive under 80kg strongman: 6th in world, 2nd in Britain, 1st in South England.
